

Name _____

The Time-Traveling Thanksgiving Play

Short Answer Key

1. Mia's idea was inspired by her desire to make the play extra special. It excited everyone because it allowed them to imagine what the first Thanksgiving might have been like.
2. During the play, the stage seemed to shimmer, and they found themselves transported back in time to the first Thanksgiving.
3. The children learned about the importance of friendship, understanding, and the unity between the Pilgrims and Native Americans.
4. The children's journey made their performance more authentic, as they had experienced the essence of the first Thanksgiving.
5. The audience reacted with thunderous applause when the play concluded, showing their appreciation for the children's imaginative journey.
