

Name _____

Amy's Transformation

Short Answer Key

1. Amy starts out valuing wealth and beauty, but she later learns that hard work, character, and love matter more.
2. Aunt March gives Amy a taste of wealth, which helps her realize that money alone doesn't bring true happiness.
3. In Europe, Amy sees that while she loves art, she may not become the greatest artist, and she learns to accept that with grace.
4. Amy's decision to marry Laurie shows maturity because she chooses love and respect over money alone.
5. Amy's journey teaches that success is not just about wealth or fame, but about personal growth and making meaningful choices.
