## A New Beginning

### Short Answer Key

1. He knows that planting the seed is the only way to bring back the Truffula Trees and restore the land.
2. The land begins to change as the tree grows, bringing back fresh air, clean water, and hope for the future.
3. They see the tree growing and realize that change is possible if they all work together.
4. He faces strong winds, dry soil, and people who don't believe in him, but he never gives up.
5. The boy's actions show that caring about nature and taking small steps can create a better future, just as the Lorax hoped.
