## Fate's Power

### Short Answer Key

1. He knows that every wish comes with a terrible price and wants to protect them.
2. Mr. White's wish for money is granted, but only because his son dies, proving that fate cannot be controlled.
3. He fears that Herbert may not return as the son they remember but as something unnatural.
4. The knocking grows louder and more intense, making the reader wonder what is on the other side of the door.
5. They learn that trying to change fate only leads to more pain and regret.
