

Name _____

Love and Legends

Short Answer Key

1. Both Twilight and Romeo and Juliet have two characters from opposing groups who fall in love despite the risks.
2. Twilight makes vampires more human-like, showing that they can feel emotions and make moral choices.
3. Both stories include vampires and the idea of humans being drawn into a dangerous supernatural world.
4. Bella chooses to stay with Edward because she loves him and wants to be part of his world, despite the risks.
5. Twilight blends romance, danger, and supernatural elements to create a modern love story with classic themes.
