## The Cinco de Mayo Mix-Up

### Short Answer Key

1. Carmen the Cat played pranks during the parade.
2. Officer O'Malley initially approached Mariachi Miguel because he thought Miguel was causing a disturbance.
3. Professor Pedro's experiment involved helium balloons and rubber ducks, and it went wrong when the balloons escaped.
4. Carmen the Cat ended up on Officer O'Malley's shoulder, pretending to play the guitar while Benny tried to arrest her, and Mariachi Miguel attempted to bake churros.
5. The townsfolk reacted by laughing and turning the parade into a fun event.
