## A New Kind of Fairy Tale

### Open-Ended Response Answer Key

1. Students may choose to make a fairy tale hero a scientist, an artist, or someone who solves problems without magic.
2. Some may argue that Dorothy needed the journey to realize her own strength, while others may say she had it all along.
3. The story's message teaches that courage, kindness, and intelligence are valuable in facing real-life challenges.
4. Some may argue that fairy tales should be traditional, while others may believe that changing them makes stories more interesting and relatable.
