Open-Ended Response Answer Key

1. Some may argue Twilight is more like Romeo and Juliet because of the romance, while others may see it as similar to Dracula due to its vampire themes.
2. Changing vampires into emotional, self-controlled characters allows readers to see them as more than just monsters.
3. If Twilight had been written long ago, it might have made Edward a villain instead of a hero.
4. Students may mention books like The Vampire Diaries or Beauty and the Beast, which combine romance and the supernatural.
