

7th Grade Prompt Pack

1. **Imagine a New Invention:** Invent a new gadget that could make everyday life easier or more fun. Describe how it works, what it looks like, and how people would use it.
2. **A Day in the Life of Your Future Self:** Write about a typical day in your life 20 years from now. What job do you have? Where do you live? What hobbies do you enjoy?
3. **The Best Vacation Ever:** Describe the best vacation you could ever imagine. Where would you go? What would you do? Who would you take with you?
4. **Superpower for a Day:** If you could have any superpower for one day, what would it be? How would you use it? What challenges might you face?
5. **The Mysterious Package:** You receive a mysterious package on your doorstep with no return address. Write a story about what happens when you open it and what you find inside.
6. **The Perfect School:** Design your perfect school. What subjects would be taught? What kind of activities and clubs would be available? How would the classrooms look?
7. **Life Without Technology:** Imagine a week without any technology—no phones, computers, or TVs. What would you do to stay entertained and connected with friends and family?
8. **Historical Adventure:** If you could travel back in time to any historical event or period, where would you go and why? What would you want to see or do there?
9. **Helping the Community:** Think about an issue in your community that you care about. Write about a project or event you could organize to help address this issue and make a positive impact.
10. **Favorite Book Character:** Choose a character from a book you love and write a new adventure for them. How do they handle the challenges they face, and what new friends or enemies do they meet along the way?
