

# Ask a Question

A concluding sentence tells the reader they are coming to the end of a paragraph. One strategy for writing a concluding sentence is to restate the main idea. A concluding sentence should begin with a transition word or phrase which lets the reader know that the conclusion is coming.

**DIRECTIONS:** Write a concluding sentence for each topic sentence that asks a question.

1. Changing jobs is an opportunity for growth and new challenges.

---

---

2. There is always more than one way to solve a problem.

---

---

3. Teachers are what determine how good a school system is.

---

---

4. People with dogs get more exercise than those without pets.
