The Alien Who Loved Pizza

One quiet evening, Ben was staring at the stars through his telescope when he saw something strange. A small spaceship landed right in his backyard! Out stepped a tiny green alien with big eyes and three fingers on each hand.

"Hello!" squeaked the alien. "I'm Zog, and I'm here to try Earth's famous food-pizza!" Ben laughed. "You came all the way here for pizza?" Zog nodded eagerly.

Ben grabbed a slice from the kitchen and handed it to Zog. The alien took one bite and jumped up and down. "Delicious!" Zog exclaimed. After finishing the slice, Zog waved goodbye and hopped back into the spaceship. "Next time, I'll bring you Martian snacks!" he promised.

As the spaceship flew off, Ben grinned. "I just made a new friend-and he loves pizza as much as I do!"
