

Name _____ **Ellipsis**

Ellipsis

TRUE OR FALSE

1. An ellipsis is a series of three dots (. . .).

2. An ellipsis shows that some text has been left out.

3. The ellipsis can show a pause.

4. The ellipsis is used to shorten a passage when what has been omitted changes the meaning of the original text.

5. Ellipses are always used in pairs.

6. The ellipsis can show hesitation.

7. There is no space before or after the ellipsis.

8. The ellipsis is a typographical symbol, not punctuation.

9. If the ellipsis comes at the end of a sentence, the ellipsis is followed by a space and a period.

10. The ellipsis can show the passage of time.
