Creak - A high-pitched noise produced by movement, often evoking an unsettling feeling in quiet spaces.

Scream - A piercing sound of terror or distress that cuts through the silence.

Howl - A long, mournful noise often associated with wolves or the wind on dark nights.

Whisper - A faint, hushed voice that carries an eerie quality in still surroundings.

Moan - A low, drawn-out sound expressing discomfort or unease, often linked to ghostly presences.

Clatter - A sudden, jarring noise of objects colliding, breaking the stillness.

Thunder - A deep, rolling rumble that signifies an approaching storm or powerful force.

Hiss - A sharp, sibilant sound often associated with snakes or sinister entities.

Growl - A guttural noise expressing menace or aggression, typically from an unseen creature.

Chime - A soft, melodic sound that takes on an ominous tone when heard unexpectedly.
