Time-Traveling with Harriet

Meet Sarah, a modern-day teenager who loved her smartphone more than anything else in the world. She couldn't go a day without it, until one fateful day, something extraordinary happened. While fiddling with her phone, she got zapped into a time machine, and suddenly, she found herself in the era of Harriet Tubman!

As Sarah looked around, she realized she had become part of a group of freedom seekers, led by none other than Harriet Tubman herself. She couldn't believe her eyes. This was not the world she knew, and she had no idea how to get back home.

Now, let's meet the unique and funny cast of characters in this time-travel adventure:

- **Harriet Tubman:** The fearless leader of the group, who was known as the "Moses of her people" for leading enslaved individuals to freedom through the Underground Railroad.
- **Sam the Squirrel:** A chatty squirrel who became Sarah's unexpected friend and guide in this strange world.
- **Granny Abigail:** A wise old woman who taught Sarah about the importance of bravery and resistance.
- **Timmy the Talking Turtle:** A slow but wise turtle who had seen it all and shared his wisdom with Sarah.
- **Lucy the Lively Rabbit:** A lively rabbit who brought humor and cheerfulness to the group, even in tough times.

Sarah soon learned that she had to be brave and join the fight for freedom. With the help of her new friends, she navigated dangerous paths, escaped from slave catchers, and faced the challenges of the past. Through it all, she discovered the importance of bravery and resistance in the face of injustice.
