

Name _____

Rebels of the Ravaged Earth

Short Answer Key

1. The mission of The Eco Warriors was to overthrow The Consortium and restore balance to the planet by ending the exploitation of Earth's resources.
2. The Consortium exploited Earth's resources by using them for their own gain, resulting in pollution, environmental degradation, and a bleak, polluted landscape.
3. Mia and her comrades were inspired to fight for a better future by stories of a world where nature thrived and a deep connection to the Earth. Mia's determination and leadership also played a significant role in their inspiration.
4. Hidden pockets of nature served as a source of inspiration and motivation for The Eco Warriors. These lush havens showcased the potential for nature's resilience and fueled their determination to win the war.
5. After The Eco Warriors emerged victorious, Earth began to heal, and the skies gradually cleared. The planet's resources were safeguarded, and a new era of environmental consciousness began.
