## The Enchanted Cover

### Short Answer Key

1. Emily discovered the enchanted forest when she opened the book with the enchanted cover and was transported inside.
2. The problem was that the enchanted world was fading. The solution was to find and use the magic crystal to restore the enchantment.
3. Emily met talking animals, befriended fairies, and rode on the back of a unicorn. She also faced challenges, solved riddles, and worked with her friends to save the enchanted world.
4. Emily felt happy and fulfilled when she returned to the real world because she had saved the magical world and gained lifelong friends through her adventures.
