

Name _____

Twilight Fever

Short Answer Key

1. The romance was exciting because it involved danger and the idea of finding true love despite obstacles.
2. Unlike traditional vampires, Edward and his family did not drink human blood and were portrayed as heroes rather than villains.
3. Readers related to Bella's struggles with love, fear, and fitting in, making the story feel personal.
4. The movies allowed fans to see the characters and story come to life, making the series even more popular.
5. Fans formed clubs, wrote stories, visited Forks, and continued to talk about Twilight long after the books were released.
