

Name _____

The Diwali Cat's Firecracker Fiasco

Short Answer Key

1. Whiskers had a fascination with shiny objects and anything that made a crinkling sound. This fascination led to chaos when he accidentally ignited a box of firecrackers, causing them to scatter and explode.
2. The neighborhood reacted with surprise and concern when the firecrackers started going off unexpectedly. A group of children who had been watching Whiskers realized their knowledge of fireworks and helped contain the situation.
3. Whiskers felt both surprised and embarrassed about the chaos he unintentionally caused. He decided to stay away from firecrackers in the future.
4. The children successfully contained the remaining firecrackers, preventing further chaos in the neighborhood.
