

Name _____

The Magical Discovery: 100 Wonders in the Hidden Room

Short Answer Key

1. When Ella played the tiny golden flute, it made the walls of the hidden room dance to her tune.
2. Max used the magical calculator to solve math problems, and it solved problems before he even asked.
3. Mrs. Sparkle's discovery of a magical mirror transformed her into different animals, causing her appearance to change.
4. Sammy and his friends decided to gather all the magical objects and return them to the hidden room to stop the chaos they were causing in the school.
5. Sammy and his friends learned the importance of using magical powers responsibly and only unleashing them when absolutely necessary.
