

Name _____

The Quest for Colorful Flags

Open-Ended Response Answer Key

1. The characters' individual quests turned into a group adventure when they met and realized they were all searching for different colored flags. They were brought together by a common goal and the desire to help each other.
2. One possible answer could be that they faced a raging river and had to build a makeshift raft to cross it safely. They overcame it by working together to gather materials and construct the raft.
3. Answers will vary based on personal preferences. For example, a student might choose the blue flag to have the power of water manipulation and use it to help with environmental conservation efforts.
4. The story emphasizes the importance of friendship over the magical flags to convey the message that true friendships and teamwork are more valuable than any material possessions or powers. It shows that the bonds between people are what make adventures truly special.
