

Name _____

The Zany Day of Mrs. Jenkins

Open-Ended Response Answer Key

1. Answers will vary. Students may mention feeling excited, surprised, and happy about the crazy day, as it was a break from the usual routine.
2. Answers will vary. Students may choose the activity they found most enjoyable, such as sliding down the giant inflatable slide or having a pillow fight.
3. Answers will vary. Some students may find Mrs. Jenkins' teaching style effective because it makes learning fun, while others might think it's too unconventional. Learning can be more engaging when it's enjoyable.
4. Answers will vary. Students can share personal experiences of school events, field trips, or special days that made a regular day memorable. They can discuss their feelings and the lessons learned from those experiences.
