

Name _____

Healing Through Hardship

Short Answer Key

1. Nurse Annie is Dr. Sarah Johnson's resourceful and witty assistant, while Dr. Henry is a compassionate colleague who passionately works to break down racial barriers in healthcare.
2. Dr. Johnson and her team faced challenges due to the limited resources at the segregated hospital, including fewer supplies, lower budgets, and less access to advanced medical equipment.
3. Dr. Johnson and her colleagues bridged the gaps in care for their patients by working long hours, relying on creativity and determination, and providing not only medical assistance but also emotional support.
4. Dr. Johnson and her team raised awareness about inequalities in healthcare by advocating for change within the hospital and by their dedication to providing quality healthcare for all. Dr. Henry's efforts to break down racial barriers also contributed to raising awareness.
5. Dr. Johnson and her team demonstrated qualities such as dedication, compassion, resilience, and determination in the face of adversity, emphasizing their commitment to their mission of providing quality healthcare and advocating for equality in healthcare.
