

Name _____

The Poet of Pi's Verses

Short Answer

1. How did Ava feel about her poems before she found inspiration in the digits of Pi?
2. Describe what each of the digits 1, 3, and 4 represented in Ava's poems.
3. How did Ava's poems affect the people who read them, and why were they special?
4. What did Ava's journey teach her about inspiration, and what message can others learn from her experience?
5. Why do you think Ava's poems were described as a testament to the beauty of mathematics and the boundless nature of creativity?
