

Name _____

The Equality Advocate

Open-Ended Response Questions

1. In your opinion, how might the world change if we had an AI entity like EQUA, programmed with principles of equality, in our own society today?
2. How does EQUA's approach to addressing discrimination and inequality compare to the methods used by Martin Luther King Jr. in the past? What similarities and differences do you see?
3. What do you think are the ethical considerations and challenges of creating AI entities like EQUA, and how can we ensure that they use their power for good?
4. How does the story emphasize the enduring importance of the principles of justice and fairness, even in a world driven by technology and artificial intelligence?
