

Name _____

The Secret Superhero Lunch Lady

Open-Ended Response Questions

1. How did Mrs. Wilson's revelation and the students' involvement in the Lunch Lady Club change their perception of her and their school lunch lady in general?
2. Describe the teamwork and collaboration among the students as they used their superpowers to save the school's treehouse. How did each student's unique ability contribute to the success of their mission?
3. How did Mrs. Wilson's mentorship and training go beyond teaching the students about their superpowers? What valuable life lessons did they learn through this experience?
4. If you were given the opportunity to develop a unique superpower like the students in the story, what would it be, and how would you use it to help others?
