

Hypothetical Conditions

The type 2 conditional talks about a hypothetical condition and its probable result. For example: *If you gave Jane flowers, she would be pleased.* Complete each sentence with a clause that creates a Type 2 conditional.

1. If you showed up, _____
2. If the sun came out, _____
3. If you weren't late, _____
4. If you tried harder, _____
5. If you looked for it, _____
6. If you rose early, _____
7. If you had a phone, _____
8. If you had a dream, _____
9. If you needed money, _____
