

Name \_\_\_\_\_ **Character Traits**

# Character Traits

Think of someone you know well. Answer the questions.

What are this person's main traits?

What of some of your own best traits this person brings out in you?

Think about a time recently when you really enjoyed being with that person. What character traits were they displaying?

Does this person bring out any undesirable traits in you? Which ones? How?

Think about a time when you had a conflict with that person. What character traits were they displaying then?
