

Name _____

The Hanukkah Mystery of Puzzle Island

Short Answer Key

1. The Goldstein family accepted Professor Cohen's Hanukkah challenge on Puzzle Island because they wanted to embark on an adventure and experience a unique Hanukkah celebration.
2. The Goldsteins progressed in their Hanukkah celebration on the island by solving puzzles related to Hanukkah traditions and symbols. Each puzzle led them to a new clue and a new aspect of the holiday's celebration.
3. The Goldstein family learned lessons about Hanukkah, including the importance of teamwork, perseverance, the joy of discovery, and the value of traditions. Their adventure deepened their understanding of the holiday.
4. The final puzzle the Goldsteins solved on the island led them to the island's highest peak, where they found a beautiful, ancient menorah waiting to be lit. It marked the completion of their Hanukkah celebration on Puzzle Island.
5. As the Goldstein family completed their Hanukkah celebration on Puzzle Island, they felt a sense of accomplishment, gratitude, and unity. They were proud of their achievements and the lessons they had learned during their adventure.
