

Name _____

Curse of the Feathered Serpent

Open-Ended Response Answer Key

1. The story explores these themes through the Vasquez family's struggle with the curse and their determination to break it to protect their loved ones. It also highlights the consequences of power as Rosa experiences the curse's effects after putting on the amulet.
2. Quetzalcoatl was a central element of the curse and served as the source of the curse's power. The family's connection to Aztec mythology added depth to the story, connecting their struggles to ancient legends and rituals.
3. Carlos evolved from a concerned brother to a determined and courageous leader. He demonstrated qualities such as bravery, resourcefulness, and a deep sense of responsibility in his quest to break the curse and save his sister.
4. The hidden chamber symbolizes the family's commitment to ensuring the curse never affects them again. It represents their dedication to protecting their family's well-being and their willingness to take drastic measures to prevent the curse from resurfacing.
