Farm Tales: A Journey of Discovery

Open-Ended Response Questions

1. Reflect on the significance of David and Lily's visit to the farm. How did it enrich their understanding of the natural world and the importance of sustainable farming?
2. Share a personal experience or lesson that you think David and Lily might remember most from their farm adventure. Explain why you find it significant.
3. How do you think the bond between David and Lily was strengthened during their journey to the farm? What moments or activities contributed to their closer relationship?
4. If you could visit a farm, what animals or aspects of farming would you be most excited to learn about, and why?
