## The Chess Principles Challenge

### Short Answer Key

1. The core principles represented by the chess pieces were honesty, respect, teamwork, perseverance, and kindness.
2. Maya showed respect during her chess match with Sam by acknowledging her opponent's moves with a nod and a smile.
3. The match between Alex and Olivia showcased perseverance as they both showed incredible resilience in planning their moves and teamwork as they coordinated their pieces to outmaneuver each other.
4. The finalists in the tournament were Lily and Leo. Lily represented kindness with her queens, and Leo represented respect with his knights.
5. The final match between Lily and Leo ended with them agreeing to a draw. It was significant because it symbolized that both principles, kindness and respect, were equally important.
