

Name _____

Eco-Heroes Unite

Open-Ended Response Answer Key

1. The kids decided to start an eco-friendly business for Earth Day because they were passionate about protecting the environment. They were motivated by the desire to inspire their community to embrace sustainable living and make a positive impact on the environment.
2. The kids sold eco-friendly products such as reusable bags, bamboo toothbrushes, and solar-powered gadgets. Using these products is better for the environment because they reduce plastic waste and promote sustainability.
3. The Greenify Your Life team inspired their community to embrace sustainable living by educating people about the benefits of eco-friendly products and reducing waste. Their efforts had a positive impact by encouraging others to make environmentally friendly choices.
4. The kids continued their environmental efforts because they realized that by working together and leading by example, they could make a lasting impact on the environment and inspire positive change in their community and beyond. They were committed to making a difference.
