## Love Letters' Serendipitous Journey

### Short Answer Key

1. Lily was originally supposed to deliver Amelia's letter to David, but she accidentally dropped it on a busy street corner.
2. Amelia and Henry decided to exchange the love letters that had been mistakenly delivered to them and read them one last time.
3. The accidental swap of love letters brought Amelia and Henry together and allowed them to appreciate the power of words and the connection they had formed through their letters.
4. Amelia and Henry treasured the connection they had formed and the journey they had shared. They appreciated the magic of love letters and the kindness of strangers they had encountered along the way.
