## The Dystopian Avenger: Fighting for Equality in the Asian Pacific

### Open-Ended Response Answer Key

1. Mei and her team use humor, wit, and laughter to challenge the oppressive regime by organizing comedy shows, mocking the government, and spreading hope among the oppressed.
2. Chancellor Stoneface represents the oppressive government that suppresses laughter and enforces strict rules, making him the primary obstacle to justice and equality.
3. Humor serves as a powerful weapon against tyranny, unifying the oppressed and inspiring them to challenge the oppressive regime.
4. Mei's team members bring diverse skills and humor to the mission, which allows them to outwit their enemies and inspire others to join the rebellion.
