Short Answer Key

1. The Dog thinks it was unfair because he didn't realize the work would lead to bread.
2. The Cat justifies not helping by saying he was stretching and didn't know there was a reward.
3. The Duck might learn that sometimes, helping others leads to shared rewards.
4. This version shows that the Hen may not have communicated well, making the animals unaware of the outcome.
5. The animals could have asked more questions or helped just in case there was a reward.
