

Name \_\_\_\_\_

## A Nation Divided

### Short Answer Key

1. The South relied on plantation farming, which used enslaved labor.
2. Lincoln wanted to stop slavery from spreading, while the South wanted to keep it.
3. Lincoln won the election without any Southern votes, making them feel powerless.
4. South Carolina was the first state to secede.
5. Fort Sumter was attacked by the South, starting the Civil War.
