## A New Perspective

### Short Answer Key

1. Stanley could fit into places he couldn't before, help people in unique ways, and even travel by mail.
2. He was teased by classmates, couldn't play like before, and sometimes felt left out.
3. Arthur flew Stanley like a kite to make him feel special.
4. It shows that thinking creatively can solve unusual problems.
5. He wanted to feel normal again and be able to do things the way he used to.
