The Secret of the Abandoned Observatory

Open Ended Questions Answers

1. The observatory's appearance, with dusty telescopes, cobwebs, and a musty smell, contributed to the rumors about it being haunted or filled with aliens because it had an eerie and abandoned atmosphere.
2. The friends burst into laughter when they realized they had fallen for Professor Hubbleton's prank. They found it amusing and appreciated the creativity behind it.
3. The experience in the observatory strengthened the friendship between Sam, Mia, and Ben because they worked together to solve the mystery, shared laughter over the prank, and created lasting memories.
4. Answers may vary. Some might continue exploring out of curiosity, while others might be cautious and leave the observatory after finding the journal, thinking it could be dangerous or lead to more pranks.
