

Name _____

The Magical Acorn

Short Answer Key

1. Eliza found the magical acorn beneath a majestic oak tree in the forest. Its unique quality was that it glowed with a soft, magical light.
2. Eliza made a wish for happiness and well-being for her village, which transformed the community into a prosperous and happy place.
3. Eliza continued to care for the magical tree by nurturing it, singing to it, and watching it grow. She learned that the true source of its magic was in the kindness, love, and responsibility that came with its power.
4. The lesson Eliza learned from her experiences with the magical acorn is that the true magic lies in kindness, love, and responsibility, and that power or wishes should be used for the greater good.
5. Answers will vary. Students should provide a wish and explain why they believe it would have a positive impact on their community or the world.
