Name _____

The Time-Traveling Detective: Solving Mysteries Across the Ages

Open-Ended Response Questions

1. What motivated Alex to explore the attic of the old library despite the warning not to touch anything?

2. How did solving historical mysteries across different time periods impact Alex's perspective on history and the power of deduction?

3. If you had the opportunity to use the ancient magnifying glass to travel back in time and solve a historical mystery, which time period and mystery would you choose, and why?
