

Name _____

Addiction and Recovery

Short Answer Key

1. Sarah, the eldest daughter, was struggling with addiction. Initially, the family watched helplessly and decided to confront the issue.
2. The Thompson family decided to support Sarah through her journey to recovery. They researched rehab facilities, attended counseling sessions, and offered emotional support.
3. The Thompson family's understanding of addiction changed as they attended support groups and learned about the struggles that families like theirs faced.
4. The central message of the story is the power of love, hope, and the unbreakable bonds of family in overcoming addiction.
5. The Thompson family emerged stronger and more united than ever after facing their darkest hour together and helping Sarah overcome her addiction.
