

Name _____

Adele: The Soulful Voice That Echoes Through Time

Short Answer Key

1. Adele was exposed to music from a young age by her mother, who introduced her to artists like Etta James and Ella Fitzgerald. This early exposure influenced her soulful sound and love for music.
2. Adele's debut album "19" marked the beginning of her career, and the song "Chasing Pavements" earned her critical acclaim and her first Grammy Award.
3. "21" was a transformative album in Adele's career, featuring emotionally resonant songs like "Someone Like You" that touched listeners deeply.
4. Adele's music reflects her personal experiences, especially themes of love and heartbreak, making her relatable to fans who connect with her emotionally.
5. Adele's return to the music industry with "30" was highly anticipated due to her hiatus, and her album generated excitement among fans and critics.
