

Name _____

Game On: The Effects of Video Games on Adolescent Behavior

Open-Ended Response Answer Key

1. Answers may vary but should provide a specific example and explain how video games influenced behavior and its impact.
2. Possible strategies might include setting time limits, taking regular breaks, and seeking alternative activities to balance screen time.
3. Educators can incorporate discussions about responsible gaming into their curriculum and promote awareness of potential risks and benefits.
4. Peer influence can impact how adolescents perceive video games and their behavior. It can influence gaming habits and choices of games played.
