

Name _____

The Adventure of Self-Discovery

Open-Ended Response Answer Key

1. Answer may vary. Example: Knowing myself played a significant role when I had to choose between two extracurricular activities. By understanding my interests and values, I opted for the one that aligned with my passions, leading to a more fulfilling experience.
2. Answer may vary. Example: I started learning to play the guitar, which was always a curiosity of mine. This new experience has revealed my passion for music and my determination to learn and express myself through it. I've also learned that I enjoy the process of mastering a new skill.
3. Answer may vary. Example: My best friend once told me that I tend to be a great listener but often neglect to express my own feelings. This feedback surprised me, but it made me realize that I should open up more and share my thoughts and emotions with others to strengthen our bond.
4. Answer may vary. Example: My short-term goal is to improve my grades, which reflects my value of academic achievement. My long-term goal is to pursue a career that helps others, aligning with my passion for making a positive impact on the world. Knowing myself better helps me stay focused on these goals and work towards them with purpose.
