

Name _____

Alien Invasion at the School Science Fair!

Open-Ended Response Questions

1. How do you think the students and parents at Crestwood Elementary School felt when they saw the UFO land? Why?
2. Imagine you were one of the students at the Science Fair. What questions would you ask the aliens about their home planet and technology?
3. What do you think could be the benefits of exchanging knowledge with the aliens? How might it help both Earth and the aliens' home planet?
4. If you were in charge of planning activities for the aliens during their stay on Earth, what fun things would you organize for them to experience?
