Open-Ended Response Answer Key

(Answers will vary, but here are possible responses.)

1. A student might describe trying a new sport, riding a bike, or going to a new school, just like how the letters feel when climbing.
2. The letters feel embarrassed because they fell in front of everyone. People sometimes feel the same way when they make a mistake.
3. A student might say they would try climbing again because they want to have fun, or they might decide to be more careful next time.
4. The story teaches that challenges are a part of life, but with perseverance and support, we can overcome them.
