

Name _____

Alphabet Order

Open-Ended Response Questions

1. What would happen if the letters climbed the tree out of order? How would that change the story?
2. Why do you think the author used a tree as a setting instead of something else?
3. Can you think of another fun way to teach children the alphabet? Describe your idea.
4. How do you use order and structure in your daily life, like at school or home?
