

Name _____

Alphabet Resilience

Short Answer Key

1. The lowercase letters don't think about how many can fit on the tree, so it becomes too crowded and they fall.
2. The uppercase letters check on the lowercase letters and help them get back up.
3. The story teaches that setbacks are normal, and learning from mistakes can help us improve.
4. The lowercase letters do not quit; they get up and prepare to climb again.
5. Problem-solving is important because it helps people overcome challenges and find solutions when things don't go as planned.
