

Name _____

Always Unique

Short Answer Key

1. The students first like Stargirl because she is different, confident, and kind.
2. At first, they admire her, but later they turn against her because she doesn't follow social norms.
3. Leo asks her to be more "normal" because he wants them both to fit in with their classmates.
4. Leo realizes too late that he should have accepted Stargirl just the way she was.
5. Stargirl teaches readers that being unique is valuable and that true acceptance means appreciating others for who they are.
