## What Makes Angelfish So Special?

### Open-Ended Response Questions

1. Describe how the unique features of an angelfish help it survive in the wild.
2. Why do you think the colors and patterns of saltwater angelfish are more vibrant than freshwater ones?
3. If you could design your own angelfish, what colors and patterns would it have? Explain why.
4. What do you think would happen if coral reefs, where many saltwater angelfish live, were destroyed?
